“His daughters in the Brandt/Hoach and Pearl Valley herds have been nothing short of spectacular, with GCH and BIS winning daughters. His forte really seems to be to throw size, style and exquisite mammary systems to go with it. Speed himself is a HUGE buck, both long and tall, and possessing exceptional bone and strength.” Tracy Stampke— Soldier-Mtn Alpines  http://soldiermountainalpines.com/speed.htm

“Speed is HUGE, a gorgeous cou blanc buck, with the friendliest disposition ever...long, tall with exceptional bone and strength. You can expect him to pass size, style and exquisite mammary systems on to his progeny.”  Kristen DeWitt—as described on http://www.biogenicsltd.com/a262.htm

ADELE is a fancy, four year-old that has resurrected our A-Line! She shows why this line has always been a general appearance favorite combining style and strength with the smoothest shoulder assembly in the herd.

First fresh in ’14, her mammary is spectacular in rear udder (41 RUA, 43 RUH)! She finished her championship at the second show of her 2 year-old season with a Best in Show title. In 2015 She was asked to milk-out for Alpine Best Udder @ the ADGA National Show and won another BIS title @ the Wyoming State Fair.
